EDUCATION

University of Missouri- Columbia

December 2026

Bachelor of Science in Civil Engineering

Minors in Construction Management and Engineering Sustainability

Relevant Coursework: Structural Analysis, Fundamentals of Transportation Engineering, Fluid Mechanics, Introduction to Construction Management

WORK AND LEADERSHIP EXPERIENCE

Engineering Peer Mentor | *University of Missouri-College of Engineering* **February 2025 – May 2025**

- Hosted a weekly seminar for a semester that assisted in helping freshman students integrate into the college campus
- Provided one-on-one academic assistance, offered feedback on assignments, and helped students develop essential skills for college
- Collaborated with other departments to bring students and faculty from different engineering disciplines to educate the students on career opportunities

Project Management Intern | *Gilmor Engineering Limited, Nigeria*

Summer 2023 & 2024

- Collaborated with field engineers to understand on-site operations, safety protocols, and project timelines and observed site activities
- Documented daily site progress by taking notes and photographs, tracking construction phases, and reporting updates to the project management team
- Performed data entry tasks, accurately inputting site data, project details, and material logs into the company's database to assist in project tracking and reporting
- Helped coordinate traffic control plans and ensured compliance with DOT regulations and safety standards

Resident Advisor | *University of Missouri- Residential Life*

August 2023 – May 2024

- Supervised and supported a community of over 400 students by serving as a first point of contact for residents during emergencies and mediating conflicts among residents
- Increased attendance of monthly hall events by 30% in collaboration with other RA 's
- Enforced university policies and handled conflict resolution, to foster a respectful and compliant living space

Front Desk Student Ambassador | *University of Missouri*

October 2023 – May 2024

- Managed front desk operations, including answering phones, responding to emails, and handling inquiries in a professional and courteous manner
- Coordinated with administrative staff to schedule appointments, manage check-ins, and maintain accurate records of visitors
- Supported event planning and logistics by helping set up events, distributing materials, and welcoming attendees

INVOLVEMENT AND VOLUNTEER WORK

Mentor | *African Student Association*

September 2023 – Present

- Provided one-on-one mentorship to a student for the duration of a semester and offered guidance on academic success, career planning, and leadership development
- Collaborated the Mentorship Chair to assess mentee progress and adapt mentorship strategies to meet their needs

Programs Chair, Junior Executive Board | *National Society of Black Engineers*

Member | *Society of Women Engineers, American society of Civil Engineers*
